### **Kaye Green Appointed Interim Director for El Paso VA Health Care System**

EL PASO, TX – The El Paso VA Health Care System announced the appointment of the Interim Director, Ms. Kaye Green. She will lead the organization until a permanent director is selected in the future.

“I’m very excited to get to know and work with the team in El Paso.” said Green. “I look forward to meeting employees, Veterans, and other stakeholders and learning about the needs of El Paso Veterans.”

Before being appointed as the Interim Director position, Ms. Green served the New Mexico VA Health Care System as an Associate Director in Albuquerque, NM.

Prior to her assignment in Albuquerque, Ms. Green served as Associate Director of the VA Healthcare System in Bay Pines, Florida from 2005-2009. She also worked as Health Systems Specialist to both the Deputy and Network Director of Veterans Integrated Service Network (VISN) 8 from 2001-2005. She also served on the governing board of Florida’s Suncoast Combined Federal Campaign for four years and was elected Chair of the Board from 2007-2009.

Ms. Green began her VA career in Texas at the VA Health Care System in Amarillo. There she served as Executive Assistant to the Director, Facility Planner, and Chief of Revenue and Fee Services.

Ms. Green’s VA leadership training includes Veterans Health Administration’s Executive Career Field Candidate Development Program, Health Care Leadership Institute and Leadership VA. She earned a Master of Business Administration Degree in Health Administration and a Bachelor of Science in Business and Health Administration from Wayland Baptist University. She is a Fellow in the American College of Healthcare Executives and board certified in healthcare management.

The El Paso VA Health Care System serves Veterans in far Southwest Texas and Doña Ana County, New Mexico. The El Paso VA Health Care System includes the main health care facility in El Paso, TX, and two VA-staffed Community Based Outpatient Clinics – one in Las Cruces, New Mexico, the second in east El Paso. The VAHCS provides primary and specialized ambulatory care services at its main campus with consultants and fee-basis specialists supplementing the medical staff.
